Corporate Profile

The Story Behind the Shine

Michael Hill exists to craft distinct and appealing jewellery, and it's been that way since our founding in 1979, when Michael and Christine Hill opened their first store in the New Zealand town of Whangarei.

We think about customers and the reasons behind their purchase – designing timeless pieces that bring out their best.

That's why we remain one of the few jewellery retailers that have an in-house team of master craftsmen – dedicated to creating future heirlooms and keepsakes while continuously perfecting their craft.

For over 30 years we've shared our vision locally and globally with customers in New Zealand, Australia, Canada and the United States, and we've earned the reputation for quality jewellery along the way. Today, Michael Hill International operates an international retail jewellery chain of 313 stores in:

- New Zealand – 52 stores, plus 1 dedicated Emma & Roe charm boutique
- Australia – 168 stores, plus 15 dedicated Emma & Roe charm boutiques
- Canada – 67 stores
- United States – 10 stores

We thoughtfully source our materials from leading designers and diamond suppliers. Our strong relationships with them ensure only top-quality pieces make it through our doors. A continuing dedication to superb design and in-house craftsmanship allows Michael Hill to produce beautiful, yet accessible collections utilising only the very finest materials.

The Michael Hill journey

1979

Michael Hill opened its doors for trading for the first time in Whangarei, New Zealand. Sir Michael's aim was to make jewellery buying less intimidating and more accessible to buyers. This was achieved by designing stores with larger, more inviting entrances and a modern feel of the Hong Kong gold markets.

1987

The company listed on the New Zealand Stock exchange as well as expanding into Australia, opening 4 stores in Brisbane, Queensland. These days there are over 150 Michael Hill stores throughout Australia, with six new stores opened in the 2010-2011 financial year.

2002

In 2002, Michael Hill expanded into Canada, opening its first stores in Vancouver. There are now 37 stores throughout British Columbia, Alberta, Manitoba, Saskatchewan and Ontario. Michael Hill's Canadian stores continue to perform strongly with an increase in total sales of over 20% in the 2010-11 financial year.

2004

In October 2004, Michael Hill celebrated a major milestone – the opening of its 100th store located in Mirrabooka, Western Australia.

2005

The Group moved its support centre to Brisbane, Australia, where all manufacturing and administration continues to be performed.

2006

Michael Hill expanded its traditional range of jewellery to include men's and women's watches.

2007

The Pen Centre, Ontario store opens in September 2007, becoming the 200th Michael Hill Jeweller store.

2008

In 2008 the Company's success was recognised, with Sir Michael Hill winning Ernst & Young Entrepreneur of the Year. In September 2008, the Company also entered the United States market, opening up its first store in Chicago, where it now has 9 stores.

2012

The Company further expanded and launched a new collection called "Infinitas".

2013

Michael Hill continued to expand its differentiated proprietary collections to span watches, diamond jewellery, charms, and engagement rings. Also this year, the Company invested in a new e-commerce platform as a focal point for digital marketing efforts in all four markets moving forward.

2014

The Company launched a new brand – Emma & Roe – with the rebrand of our 6 Captured Moments charm stores. The next generation in charm jewellery designed to start a conversation, we are excited by the growth opportunities offered by this new venture. The name "Emma & Roe" takes its inspiration from the Hill family, "Emma" being Sir Michael's daughter, and "Roe" being Lady Christine Hill's maiden name.

2016

The Company moved its primary listing to the Australian Securities Exchange (ASX) with a secondary listing on the New Zealand Stock Exchange (ASX/NXZ Code: MHJ).

Now and beyond

Today the Michael Hill Group has 313 stores, and employs over 2,400 permanent employees who are involved in retail sales, manufacturing and administration. It has approximately 4,000 shareholders, and has provided superior return to shareholders for over 25 years.

Michael Hill continues its aim to be the most people focussed Jeweller in the world. Our priorities for the 2016-17 financial year to build shareholder wealth are:

- To drive same store sales and EBIT performance across the Group
- To make further progress across our 4 strategic themes. Delight the mid-market, Expand our footprint, Empower our people, Brighten our bridal experience.
- To improve return on shareholders' funds and return on assets
- To open up to 20 stores across the Group
- To increase sales from our e-commerce platforms across both brands while integrating the online and in store experiences
- To continue testing and refining our Michael Hill retail market in the US and our new Emma & Roe brand.
- To continue to fine tune our in-house credit model in North America towards "best practice" within our industry
- Improve branded assortments as a portion of sales, which will in turn drive sales and margins.
