## THE YEAR IN REVIEW Ansooss

| PRIORITIES | RESULTS |
| :--- | :--- |
| To drive same store sales and EBIT <br> performance across the Group | Group same store sales increased 5.0\%. <br> EBIT was up in 3 segments, an increase <br> of 4.7\% for the Group. |
| To open 20 new Michael Hill stores <br> across the Group | 19 new stores were opened during the <br> year. |
| To deliver a return on average <br> shareholders' funds of 20\% | A return on average shareholders' funds <br> was achieved of 18.4\% excluding the <br> one-off ATO tax settlement and the <br> interest paid into the tax pool in New <br> Zealand. |
| To establish our e-commerce operation |  |
| across all four countries | The Group relaunched its website in <br> November 2013 with a much stronger <br> focus on e-commerce. |

## THE YEAR IN REVIEW a sososs

## PRIORITIES

## RESULTS

To achieve further EBIT improvement in
the Canadian operation

EBIT improved 238.5\% to a record CA $\$ 3.794 \mathrm{~m}$, an increase of CA\$2.673m on the previous year.

To improve same store sales in the US operation through an increased focus on the bridal market

To improve return on assets employed through increased efficiency in inventory management

Same store sales in the US increased $6.1 \%$ during the year.

The Group implemented two new inventory management systems in the last 24 months. The full benefit of these systems won't be evident until the implementation of all componentss is completed.

FINANCIAL HIGHLIGHTS

## FINANCIAL HIGHLIGHTS

## PRIORITIES FOR 2014/15

- To drive same store sales and EBIT performance across the Group
- To deliver $20 \%$ return on shareholders' funds
- To open 20 new stores across the Group
- To open six Emma \& Roe stores across Australasia while continuing to test and refine the Emma \& Roe model
- To increase sales from our e-commerce platforms across both brands while integrating the online and instore experience
- To open ten new stores in Canada while maintaining strong EBIT growth
- To continue the test of the US market and bring all eight stores to a cash positive position
- To improve the performance of our investment in inventory through deployment of our recent investment in inventory management systems
- To continue to fine tune our in-house credit model in North America to "best practice" within our industry

##  <br> michael hill

[^0]:    * Depreciation has increased primarily from investment in inventory management systems and new store openings / refits / relocations.
